### PORTO RICO TAXED.

The Republican Scheme Goes Through.

Democrats Make a Valiant Fight, but are Finally Defeated, 161 to 153.

Washington, April 12.—The long and bitter struggle over the Porto Rican tariff bill ended yesterday, when the House by a vote of 161 to 153 concurred in all the Senate amendments.

The bill now requires only the signatures of the Speaker of the House and the president of the Senate before going to the President for his approval. These signatures will be attached to-day and before nightfall the bill will probably be a law.

As the bill originally passed the House it was a simple bill imposing 15 per cent. of the Dingley rates on goods going into Porto Rico from the United States and coming from Porto Rico into the United States. As amended by the Senate and to-day agreed to by the House all restrictions on goods coming into the United States are eliminated and certain food-stuffs and other articles which heretofore have gone into Porto Rico by executive order are excluded from the operation of the 15 per cent. duty imposed on goods entering the island from the United States.

A complete scheme of civil government for the island is also attached to the measure.

**Republicans Opposing.**

Upon the final vote nine Republicans voted against the bill—Messrs. Heatwole (Miss.), Crumpacker (Ind.), Lane (Ia.), Littlefield (Me.), McCall (Mass.), Il. C. Smith (Mich.), Warner (Ill.), Fletcher (Md.) and Lorimer (III.).

Two Democrats, Messrs. Davey and Meyer (La.), were paired with Democrats in favor of the bill, and one Democrat, Mr. Sibley (Pa.), voted for it outright. Mr. Davis, the other Democrat who voted for the original bill-to-day voted against concurrence.

Mr. Stallings (Dem., Ala.) was the only member on either side absent and unpaired.

### WOOD-HARRIS.

Young Couple Quietly Go Over To Springfield.

Ewing Wood, second son of the late Dr. Ben S. Wood, and Miss Salie Harris, daughter of Dr. L. J. Harris, were married in Springfield, Tenn., Wednesday night. It was not an elopement, but the young people decided to leave home to wed on account of the romance of the thing, and illness of the bride's mother, which prevented a home wedding.

They went to Nashville yesterday and after visiting that city and Louisville for a few days will return home and board for the present with the groom's mother on North Main street.

The groom is a young man not yet of age, who is operating his grand-mother's farm a few miles west of the city. His bride is a pretty and very attractive young lady and is a niece of Dr. W. M. Hill, of this city, at whose house she has frequently visited.

### GLOVER-DEW.

Clardy Couple Will Marry Next Sunday Morning.

Mr. John W. Glover and Miss Ada Dew, a young couple living near Clardy, North Christian, will be married next Sunday. Rev. N. C. Lamb, of the Baptist church, will perform the ceremony at 10 o'clock in the morning.

Miss Ritchie Burnett joined her brother, Mr. John P. Burnett, at Memphis this week, and will accompany him on his trip through Texas.

### CONSTABLE RIVES

Thinks Oldham Did Not Kill Martha Bell.

The Prisoner's Version of the Affair—No Pistol Found On Him.

Constable Frank Rives sends in the following statement made to him by less Oldham when he surrendered last Monday. "He says he thought it his duty to report the case to some officer and I was the only one he thought he could find that night. He says he was with the woman when she was shot. They were coming along the Clardy highway when they came to a mud-hole in the road and he stepped in front of her about five steps when he heard some one behind him say: 'G—d— you I told you I was going to kill you' and the pistol fired. Oldham says he ran and four more shots were fired, at him he thought. He ran to a bend in the fence where he stopped and heard some one call this woman by her name and begging her to get up and telling her he did not mean to kill her. He says he went back to the corner and saw some one pulling her at her as if he was trying to get her up and saw him run off when he advanced.

He says he went back to the woman and found her dead. He next went home and got a horse and came after me. He says he knows the man who shot her and will tell his name when the time comes. He says he heard the same man tell her about a week before that if he ever caught her walking up and down the road with him again he would kill her. Oldham got to my house between midnight and day and asked me to take him to Bell's and telephone the coroner and said he knew he would be charged with killing Martha Bell because he was last seen with her and he wanted to stand his trial.

He made no statement before the coroner's jury as there was too much excitement among the negroes; they told me they were going to kill him right there, that he should not leave there alive, and it was all I could do to keep them from killing him. I am satisfied they would have killed him if they could have gotten some one to lead. I saw the rope they had. My giving him up to the coroner was all that saved him. That seemed to pacify them. I had several white men go with me and surround the buggy until they got away from the crowd. I was present when the coroner searched Oldham and helped to handcuff him. We found no pistol or weapon of any kind on him. Oldham has not asked for a trial and may await the action of the grand jury."

Mr. Rives further gives it as his opinion that Oldham did not kill the woman.

### ADCOCK-CRICK.

Planned to Elope, But Got Consent of Parents.

Mr. John W. Adcock and Miss Lurena Crick, daughter of Esq. Noah Crick, all of the Old Petersburg neighborhood, were married in the County Clerk's office last Monday by Judge Cansler.

The young people had planned to elope to Tennessee, but when the young man went after Miss Crick Sunday night he was met by the young lady's father, who entered his protest against the proceedings.

After considerable discussion of the matter however, the latter gave his consent to the marriage, and the three came to the city the next day and the ceremony was said.

Services at the Methodist church Sunday morning will be under the direction of the Foreign Missionary Society. Easter Sunday is set apart by the Woman's Board for special contributions to the Twentieth Century educational fund. A good program has been prepared and a large offering is expected from the membership. Everybody is invited.

## LEAVES DALLAS DUST.

Sam Jones Shakes It From His Migratory Feet.

Dallas, Texas, April 6.—Rev. Sam Jones publicly "roasted" Dallas Sunday. He declared all negotiations for a series of revival meetings in this city. He declared that Dallas can see no dividends in religion. Her business men are willing to wap \$1 for \$2, but would not wap a lot on a back street of Dallas for the choicest corner lot of the beat golden street in glory. Dallas won't make proper preparations and I won't preach. I decline to hold meetings way out in the state fair grounds.

"A poor man would have to pay as much in street car fares going and coming for himself and family as he would receive in wages for a day's work. The business men world not furnish us an auditorium downtown, so the deal is off and I have accepted an offer to preach in Baltimore, Md., from May 6 to May 27. The business men there have hired a music hall seating 6,000 persons and pay \$2,500 for it the time mentioned. Therefore I shake the dust of Dallas from my feet."

Lend a hand to young people whose homes are cold and repelling.

Lend a hand to those whose surroundings are steadily pulling them down.

Lend a hand to the prodigal sister—her life is as precious as that of the prodigal brother.

Lend a hand to the girl who work works, works, works, and knows nothing of recreation and rest.

Lend a hand—an open hand, a warm hand, a strong hand, an uplifting hand, a hand filled with mercy and help.—Silver Cross.

### May Recognize Breckinridge.

The Judges of the Court of Appeals will not await the action of the State courts and the Supreme Court of the United States before passing on the motion made before them two weeks ago by Judge Robert J. Breckinridge that he be recognized as Attorney General of the State. The large number of Commonwealth cases pending before the Appellate Court here make it necessary that some action be taken at once. An order would have been entered in the matter to-day but for the absence of Judge Burnam, and may be expected within the next few days. What the order contains is not known, but it is believed that Judge Breckinridge will be directed to attend to the State's legal business.

### War Not Yet Over.

Attacks by insurgents on American troops in the Philippines are now common. None of the engagements has been serious, but they have proved most harassing. Brig. Gens. Young and Bell, in North and South Luzon, respectively, have asked for re-enforcements. Their men are worn out with fighting, and they can not garrison the towns they are trying to hold.

Several Veterans will bring to the Confederate Reunion at Louisville May 30-June 3, their grandchildren.

### ANNOUNCEMENT.

We are gratified to announce:

THOMAS HENRY D. ALLEN,

Of Union county, as a candidate for reelection  
to Congress, subject to the action of the  
Democratic party of the Second District.

David Harum has been dramatized and was put on the stage at Rochester, N. Y., this week for the first time.

Dewey will certainly be in Louisville next month and arrangements are being made for his entertainment.

Admiral Dewey denies a report that he will withdraw from the race for President. What does Mrs. Dewey say about it?

Miss Olga Nethersole, who was indicted for playing "Sapho" in New York, was acquitted by the jury, who evidently thought nothing was too tough for Gotham.

One Mr. Todd, Taylor's late private secretary, is in Indianapolis with Charles Finley and other fugitives. There is no warrant against Todd.

The North Carolina State Convention instructed for Bryan and at the same time nominated a ticket for state officers headed by Chas. B. Aycock for Governor.

Two Chicago contractors whose aggregate wealth foots well up in the millions doled overalls in order to fulfill a plumbing contract on a building where the regular workers had gone on a strike.

"Praedoria" is now crowded with 4,000 British prisoners and Roberts is not so much concerned about reaching Pretoria as he is about getting out of Bloemfontein with a whole hide.

Mrs. Dewey has left the Catholic church and joined her husband's church, the Episcopal. Perhaps the compromise was that she would join his church if he would join her party and run for President.

Dr. Furnish called upon Dr. Lively at the Lakeland Asylum Wednesday and no clash occurred. Dr. Furnish will wait on the decision of the Supreme Court, which need not be expected until next summer.

At least one Louisville Republican does not take kindly to the proposition to elect Bradley to Congress from the Louisville district, although he lives in another district. H. S. Irwin is already in the field as a candidate.

Capt. Throckmorton, for two months acting commissioner of agriculture, is still sending out monthly reports of the crops, although he has been out of office a month or more. The Captain should acknowledge the "corn." He is evidently feeling his "oats," and is waiting and hoping that something will "turnip" in this "wheat" by-and-by. There is something really plaintive in this melancholy close to his report: "Feed is scarce, pastures are in poor condition, and how to keep the lambs in a thrifty condition till the grazing season is a serious question now with flock owners."

### HON. H. D. ALLEN.

The formal announcement of Hon. Henry D. Allen for renomination for Congress appears in to-day's paper. During the term he has served Mr. Allen has demonstrated his capacity, his fidelity to his constituents and his increasing influence as a public servant and party leader. He has won the endorsement we feel sure the people will accord to him and to do the thing gracefully we hope to see Mr. Allen returned without opposition. It is the unwritten law of the Democratic party in the Second district that its representatives be given an endorsement and no exception should or will be made in the case of the present able and popular member.

The senate committee on elections has reported unanimously in favor of unseating Senator W. A. Clark, of Montana, on a charge of bribery in his election. The Committee reported against Quay, of Pennsylvania, who was appointed after failing of election by the Legislature, but Quay is said to have enough pledged to him to seat him in spite of the report. Clark will not be so fortunate and will lose the seat that is said to have cost him \$150,000. Clark is a Democrat and Quay is a Republican. This may make some difference.

There are indications that the next Republican platform in Kentucky will have a trap door in the center.—State Democrat.

Senior Lindsay has moved to New York to practice law. Like Mr. Carlisle, he found that the bridges behind him had all been burned when he fired the woods to head off Bryan.

Considering the demand of the people that some of Gov. Goebel's assassins be tried and executed once, it looks like a long time between grand jury reports.

There are indications that the next Republican platform in Kentucky will have a trap door in the center.—State Democrat.

Gol. Bryan is in Southern California this week-end, was given a big reception at Los Angeles Tuesday night.

There is still some doubt about who fired the shot but there is no doubt whatever about who aided the assassin to escape.

South Trimble is in a fair way to win the Congressional nomination in the Seventh district before his opponents get started.

The attorneys at Frankfort haven't signed any more agreements for a whole day.

The grand jury should try to find out how much of Howard's \$1,600 of blood money came from the fund raised to "stamp out Goebelism." Did it come from 300 fifty-cent-slot letters? If so, were the ambushed assassins alone in their guilt?

The Democrats of Fulton will give a banquet next Tuesday night to the Democratic Committee of the First district, upon the meeting of the committee there to take action in the Congressional race. The banquet will be at Knight's Hotel.

Jim Howard declares that he is innocent of the murder of the Governor and would hasten to Frankfort to prove it but for the fact that he has a previous engagement to be tried for murdering another man in Clay county.

Of course there will be no clash at Frankfort. So long as the Democrats stand tamely by and see their Governor assassinated, their courts doled and their rights trampled under foot, why should there be a clash.—Glasgow Times.

The date of the Republican convention will be May 17 and it will be held at the auditorium in Louisville. Taylor, if he is in a position to attend, will be one of the delegates from the State at large to the Philadelphia convention.

The Somerset Paragon says some of its readers "have took pains to kick at my plain and open fight against Wm. Goebel and Governor." Perhaps they "taken offense" at the Republic method for stamping out Goebelism.

The Paducah Leader, the Democratic paper started a year ago by Warren Martin, made an arrangement this week to S. N. Leonard, of Paducah. The liabilities are \$4,000 and the assets \$1,500.

Two of Todd's

Most Prominent Citizens Passed Away This Week.

Trenton, Ky., April 11.—Mr. J. A. Dickson, a prominent farmer who lived three miles west of this place, died about 6 o'clock p. m., Monday, aged 51 years. Mr. Dickson had not been able to leave his room for six months and was much of the time confined to his bed. On Sunday he suffered a paralytic stroke, his entire body being involved, and death resulted thirty hours later.

Mr. Dickson was a man of wide influence and in his demise Todd county has lost one of its best citizens. He left a widow and several children.

Funeral services were conducted by the pastor of the church of which he was a member and the burial took place in Trenton cemetery. Many relatives and sorrowing friends followed the remains. He leaves a good name and handsome estate.

Mr. S. E. Stegar died at his home in this place this morning, after a long illness, of consumption. He was 35 years old and enjoyed the esteem of a large circle of friends. He leaves a widow. He was a member of the Christian church.

Funeral services were held at his late residence, conducted by Rev. A. P. Willis, of Henderson, assisted by Rev. J. W. Ligon, former pastor. By his request the remains were laid to rest in Edgewood cemetery, which he donated to Trenton several years ago. He leaves an estate estimated at about \$50,000. G.

Mr. Holt Price, of central Kentucky, a young traveling salesman for a St. Louis house, and Miss Mary Beulah Harned, daughter of Mr. B. W. After a short trip South they will return to this city and take board with the bride's parents on South Walnut street.

Mr. Price is traveling for a furniture house and is well and favorably known here as a good business man with many friends.

The bride is an attractive and accomplished young lady, very popular in social circles and the groom is to be congratulated upon his good fortune in winning her heart and hand. Hers is the third recent wedding in Mr. Harned's family, two of her brothers having married within the last few months.

The wedding was not an elopement.

### STREET FAIR

Will Be Given Next Fall by the Elks.

The new lodge of Elks, recently organized, has decided to give a street fair next fall on a mammoth scale. The fair last year was a great success and drew more people to the city than were ever before seen here at one time.

The following committee has been named to make the preliminary arrangements: A. H. Anderson, C. P. Jarrett, Sam Frankel, T. G. Littibales and T. C. Underwood.

**Women as Well as Men Are Made Miserable by Kidney Trouble.**

Kidney trouble preys upon the mind, discourages and lessens ambition, beauty, vigor and cheerfulness soon to disappear when the kidneys are out of order. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control its bladder, it yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first should be towards the treatment of these important organs. This singular trouble is due to a diseased condition of the kidneys and bladder and not to a habit as people suppose.

Women, as well as men are made miserable with kidney and bladder trouble and both need the same great remedy. The mild and the immediate effect of Swamp-Koot is remarkable. It is sold by regular dealers in fifty cent and one dollar dollar sizes. You may have a sample bottle by mail free, also pamphlet. Name of Swamp-Koot is well known throughout India, and thousands of testimonial letters received in our offices.

The Tennessee Oaks, the first race of the day, was won at Memphis Tuesday by Hells of Orleans, a blacksmith.

### TOBACCO MARKET.

(Reported by J. H. Eggleton, of Lexington, Ky., (unreported), on behalf of dealers in leaf tobacco.)

Hopkinsville, Ky., April 11.—The market opened up this week with renewed vigor with the largest offerings of the season, and was composed of common to medium leaf. No very fine tobacco on sale, however the highest price of the year was reached, going up to \$13.75. We quote common to medium lugs 4 higher than last week, good medium lugs were about the same, fine lugs with length were in good demand and prices ruled from \$5 to \$6, an advance of 4 to 1/2¢. Summing up the situation the market has opened up on a solid basis and the offerings are now taken by the Regles, rehandlers and buyers on an order which will not appear on the market again. The speculators are not buying at this price. The sellers are well satisfied with the prevailing prices, hence the offering will continue large from now on. Loose market very quiet.

## 1,000,000 DEATHS!

### FROM CHOLERA DURING THE PAST YEAR.

The Germs of This Fatal Disease are Lurking Everywhere! Thousands of Dollars Saved by This Wonderful Discovery.

Hundreds of thousands of dollars have been lost in the poultry business on account of the devastation among the flocks by cholera, coccidiosis, gape, and other fatal diseases. There have been many remedies advanced, but none seem to be so successful as the American Poultry Mixture. This will cure chickens in the last stage of cholera and rot, and is excellent for the prevention of cholera. It prevents diarrhea, dropping of the wings, stupor or excessive thirst! These are the first symptoms of cholera. Cholera is a germ disease and being infectious spreads rapidly through the entire flock. Take time by the forelock; don't stop to experiment with untried mixtures. Use the American Poultry mixture at once and the sanitary measures they recommend in connection. Don't give the fowls up. Cholera is a terrible disease but this remedy cures it every time. It is also guaranteed for roup, which can be told by hoarse breathing, swollen eyes, and difficulty in urinating, resembling catarrh. Fifty dollars is offered for any case the mixture will not cure. If some of your fowls are diseased it will prevent the rest from catching it. Try it. It is cheap, reliable and effective; a science in itself. It is guaranteed that this mixture, far, an say otherwise, does more good than all of them combined. It is used and endorsed by the most experienced and largest breeders of plain and fancy poultry in all parts of the world. The manufacturers guarantee every package or return, regardless of damage. The mixture doesn't kill American Poultry Mixture, he's behind the age. In that case send \$1.00 for sample box to American Mfg. Co., Terre Haute, Ind.

## BOER VICTORIES.

British Brought to a Sudden Halt in Africa.

Tables Turned and a Series of Reverses Come to Lord Roberts.

London, April 9.—The recent successes of the Boers and their aggressive movements around Bloemfontein have caused the whole Free State to rise again. From the Bloemfontein water-works, recently taken by them, the Boers are threatening the British communications to the South. The Boers are in force south of the town. Attacks are frequently made on the British pickets.

It is reported from Pretoria that Gen. Dewet attacked and defeated a large force of British cavalry at Dewet's drop, southeast of Bloemfontein, capturing 450 prisoners and a large quantity of ammunition and camp stores and inflicting heavy loss.

The Federal loss was two killed and four wounded. All is quiet with the other commandants.

Gen. Gatacre has retired to Bethany.

The Boers are displaying renewed activity in Natal.

When it is borne in mind that all the dispatches from the front are severely censored, there is little in the news to bring satisfaction to England. Assurances that nothing need be feared, even if the railways and telegraphs are cut and Bloemfontein isolated, together with the news that the ladies and other citizens are being ordered away do not augur well.

There are rumors from Cape Town that the telegraph wires were already cut yesterday (Sunday), and also that the Hussars, who were sent to the relief of the Royal Irish Rifles, are also missing.

### Circle Meeting.

The Sixth circle of Bethel Association. Namely—Casky, Lafayette, Locust Grove, Olivet, Salem and South Union churches will meet with Salem at 10 a. m., April 28th and 29th, 1900.

"Look out!" cried the man as the camel-borne was passing under a low bridge. A Frenchman immediately took his hand out of the cabin window to look, and got a severe blow. Rubbing his head ruefully, he said, "I do believe I'll break my neck looking out when the next train comes in."

To keep the blood and system in a healthy condition when they are diseased, no medicine is so effective as Dr. Pierce's Golden Medical Discovery.

It purifies the body, cleanses the system of waste and poisonous substances, increases the activity of the blood-making glands, and invigorates the stomach and other organs of digestion and assimilation.
